Wartburg College

Where a spirit of
community prevails.

1994 Building for the Future

by Paul Everding and Larissa Schultz, editors

Isn't that adorable? Jenny Schulz, '94, talks to this little resident of a Waterloo neighborhood during a Habitat for Humanity workday.

A model teacher once said, "Like an athlete, you must always strive to get better. Only this way can you grow." While not all of us are athletes, we are all growing. It's why many of us came to Wartburg; we wanted to expand our knowledge and our experiences in a setting that encouraged and nourished such growth.

One way we grow is by building on what we already have, be it spiritual, mental or physical. We look for opportunities through campus ministry, we attend classes and read books, we devote an hour a day to working out. Even as we as students build upon the foundations laid by our previous relationships and experiences, Wartburg is building upon its foundations.

Some of that building can be seen in the construction of a new chapel—a first for Wartburg College—and a new residence hall. It can also be seen in the expansion of existing academic programs and the creation of new ones to address new needs. In fact, building pervades every aspect of life on campus. It cannot be escaped.

Wartburg is looking toward tomorrow, not only for the college itself, but for its students as well. There is a commitment here to helping students continue building upon what they already possess even after they graduate.

Growth never stops. There is always another layer to add as brick by brick, we build for the future.

Jen Larson, '95, seems entirely too happy to be working the dish line in the cafeteria.

A study in studiousness—Anna Nielson, '95, hits the books in Buhr Lounge, a favorite study location for many students.

Nate Tomlinson, '94, seen totally oblivious to his surroundings on Outfly morning. Becky Hertenstein, '99, and Tim Seeger, '94, however, decided not to miss photo opportunity.

Brad Holton, '94, plays the country hits during his KWAR radio show.

Swing it, girls! Amy Reid, '94, and Laura Riefler, '96, return to Schmidt House after doing a little shopping.

Fortress editor Larissa Schultz, '94, diligently works on meeting the first yearbook deadline.

Oh, to have a cushy work study job. Chuck Duske, '94, catches up on a little homework while working at the information desk.

Catching some zzz's in the Fine Arts Center before band rehearsal.

Kim "Michael Jordan" Grimm, '95, drives into the lane hard during Wartburg's defeat of Luther.

It's group project time in Whitehouse Computer Center.

Jenny Bye, '95, and Venus Stacks, '95, burn the midnight oil in Buhr Lounge.

The victory bell—a sign of Wartburg's heritage.

Becker Hall of Science, purgatory to many biology and pre-med majors.

Tina Kube, '97, helps get the crowd motivated at a Wartburg basketball game.

Wow. Friends forever often meet at Wartburg College.

Brent Robbins, '95, looks a little startled as Tammy Giessinger, '95, tells him what's in his orange juice.

Nice view, Jen Arbuckle, '94!

Student Life

The Faces of Outfly

Get a Clue!

No way: Outfly on a Tuesday!

It started with an element of suspense and ended with a sigh of disbelief. This year's Outfly, against all recent precedents, was called on a Tuesday morning.

"The purpose of having Outfly on a Tuesday was to put an element of surprise back into it," said Student Body President Beth Onsrud, '94. "It was the best turnout at the Victory Bell in years."

In recent years, students and faculty had narrowed possible Outfly days to Mondays or Wednesdays since professors would chomp at the bit at having to cancel Tuesday-Thursday lab classes. It was also believed by many people that many students would leave campus for a three-day weekend if the big day fell on Friday.

But Onsrud challenged those assumptions. Outfly 1993 was filled with many phone calls to her from students and faculty saying it was the first time they were surprised by Outfly, but other reactions were negative.

"Most people don't have Tuesday-Thursday classes," said Chris Downey, '96. "The only thing I got out of Outfly was out of bed early."

Some faculty were displeased about having to postpone lab tests.

Another indicator of displeasure was that the majority of Outfly events sponsored by Campus Activities Board were poorly attended, according to Matt Pries, '95.

"Ice sledding was a big hit, but no one showed up for blind volleyball," said Jen Bergan, '95, Outfly events coordinator. "Outfly should be an opportunity to do some community building, but people already had a lot to do."

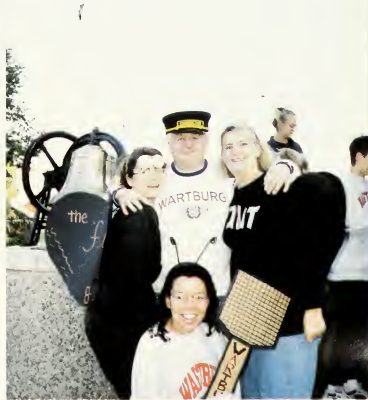

Traditionally, Outfly was a day of faculty-student activities such as softball and volleyball games, a campus-wide picnic and other community-building events held at the Outfly grounds on the Cedar River. More recently, students have used Outfly as an excuse to sleep late and hang-out in their rooms, according to a 1992 *Trumpet* feature by Cameron Hansen, '92.

As part of this year's theme, Wendy Naaktgeboren, '97, solved the campus-wide "Clue" mystery and won the \$100 prize.

—Christopher Warmanen

The Centennial 3 children of the sun humble themselves before the god Ra, rising over the rooftops on Outfly morning.

The flies are out early. President Vogel embraces Karn Severson, '95, and Jen Seeger, '94, in front of the Victory Bell as Felisha Peeples, '94, crouches with the official Wartburg fly swatter.

Work progresses on the chapel over the summer, as seen in this picture from July 1993.

Dawn breaks behind the chapel tower as workmen prepare for another day on the job.

Even winter's cold and snow can't halt work on the chapel. This picture was taken during winter 1993, a couple months after ground was broken.

Dean Snodgrass, project foreman, is the man who oversees the transfer of the chapel from blueprint to reality.

The steeple skeleton rests near the chapel, waiting for the copper sheeting that will adorn it.

Wavering Chapel rises on campus

For the first time in its history, Wartburg College will have a chapel. Construction began in 1993 after a \$1 million donation from Elmer Wavering, retired president and CEO of Motorola, Inc., helped provide the needed funds. Since then, work has progressed steadily, delayed only by heavy rains over the summer. Because of that delay, the completion date was pushed back from spring 1994 to fall 1994.

Wavering Chapel will have seating capac-

ity for approximately 500 persons—not large enough for special services such as baccalaureate, but small enough to provide an intimate worship setting for Sunday services, said Pastor Larry Trachte.

The chapel will also serve as a concert space for the Wartburg Choir and will have office space for Campus Ministry organizations.

Trachte enjoys recording the construction process, snapping countless color photographs and talking with workmen whenever he can.

"It's so exciting," he said. "And none of the guys (working on the chapel) have gotten tired of me dropping in to see how things are going."

Structured with a distinct German style, the chapel is yet another example of Wartburg building for the future.

"It's for students now and for generations of students yet to come," Trachte said.

—Paul Everding

Placement of the copper sheeting on the steeple begins.

It's Cajun Man! Centennial 3's third-place Homecoming banner is displayed in Knights Gymnasium by Nancy Krapfl, '96; Lori Johnson, '96; and Resident Assistant Amy Bossard, '95.

Homecoming visitors browse the wares of local artisans at the Renaissance Faire.

Janis Voo, '94, sells balloons for the Student Health Awareness Committee (SHAC) as part of its Homecoming fund raising.

Gary Lemke, '92, plays in the pep band at the football game. Many alumni participate in activities they were involved in while in college when they return for Homecoming.

Matt Pries, '95, is hauled to the pokey by the Renaissance Faire sheriff and his deputy.

Saturday Knight Live

Saturday Knight Live

In a welcome turn of events, rain and cold temperatures did not spoil Homecoming 1993. Rather, spring-like weather prevailed, making Saturday Knight Live a thrilling success for students and alumni alike.

The tone for this year's traditional autumn celebration was set during the Friday night performances of Kastle Kapers. Under the theme "Entertainment To-Knight," emcees Karn Severson, '95, and Jon Howie, '94, guided audiences through an evening of unique entertainment to mostly full houses. Memorable numbers included a rendition of "The Lion Sleeps Tonight" by HABMU; a performance by Mid-Knight Cowboys Professor Jeff Snider, Dr. Paul Torkelson with Dr. Ted Reuter accompanying; and Dr. Robert E. Lee singing G. F. Handel's classic "Aria."

An original number, "Homeless America," by Mike Jensen, '95, Dave Weland, '96, Jon Wolff, '96, and Howie was a moving song about how lucky the majority of Americans are to have their daily needs met.

Between Kastle Kapers performances, Homecoming King Jesse Molinar, '94, and Queen Jodi Harper, '94, were crowned.

Another highlight of the weekend was the Wartburg Community Symphony Pops Concert. Students, faculty and community members bopped to the tunes of Robert Weast and his Swinging Big Band. From there, it was off to the annual Homecoming Dance with music by Wartburg's own unofficial DJ, Ted Bateman, '94. All-in-all, the Knight was alive on Saturday.

Christ's Jesters pose in front of the Campus Ministry Board float before the Homecoming parade. The float was built as a replica of the Wavering Chapel.

Huge Homecoming victory

Knights crush Penn 52 - 3

This year, Homecoming was taken to another level as Wartburg Knights stomped William Penn 52-3 in front of a sold-out crowd of 4,000.

It took the Knights awhile to get things going during the Oct. 16 game, but once they did they never looked back.

With 3:56 to go in the first quarter, the Knights opened the scoring when quarterback Mike Elijah, '95, ran the ball into the end zone from three yards out to give Wartburg a 7-0 lead. He finished with 136 yards passing on eight of 14 attempts, including a 51-yard touchdown pass to Bruce Wall, '95.

The Knights went on to score 28 unanswered points in the second quarter, including one touchdown from Kevin Hudson, '96, and two from Bob Beatty, '95—one of which occurred on a 63-yard run.

"I give a lot of credit to the defense because they gave us the opportunity to score early," Beatty said. He ended the game with 131 yards rushing, putting him over 700 yards for the season at that time.

The Statesmen's only points came on a 28-yard field goal from Charles Ives. The first half ended with the Knights entering the locker room in possession of a 42-3 lead.

Quarterback Brian Nelson, '97, came in for Elijah late in the second half, throwing for his first varsity touchdown when he connected with Mike Hughes, '95, from six yards out to cap off Wartburg's scoring.

The Knight defense played a nearly flawless game, holding William Penn to 88 total offensive yards and eight first downs.

Alan Thompson, '95, and Koby Kreinbring, '94, led the defense with six tackles each, including one interception by Kreinbring.

—Eric George, *Trumpet* sportswriter

Quarterback Mike Elijah, '95, eludes pursuing William Penn Statesmen as he scrambles for the end zone.

Go Knights!

Knight defenders take down a Statesman ball carrier. Wartburg's tough defense held William Penn to 88 total yards.

Mike Elijah, '95, rallies his men for another offensive thrust. The Knights scored most of their 52 points behind Elijah's leadership from the quarterback position.

Knights strut their stuff after another touchdown in a Homecoming game where scoring became routine.

Bobby Beatty, '95, plunges into the middle during one of his many carries for the day. Beatty racked up 131 yards against William Penn.

Sheryl Seeden, '94, decorates the Swensen House lounge window for the annual Homecoming window decorating contest.

The bards of Homecoming—local performers at the Renaissance Faire.

Burgers watch the Homecoming Parade along Bremer Avenue. From left: Tanya Paschall, '93; Jenny Schulz, '94; Lauren Dybowski, '94; and Sheryl Seeden, '94.

Dr. Lee sings Handel's "Aria", accompanied by Deslys Venable, '93, during Kastle Kapers.

Homecoming King Jesse Molinar, '94, and Queen Jodi Harper, '94, wave to the crowd during the Homecoming parade.

The KWAR version of "Wayne's World" won third place in the Homecoming parade. Playing the parts are Dan Scharnhorst, '95, Will Rutledge, '95, and Rob Umbaugh, '94.

Coffee Talk by Jen Bergen, '95, and Dawn Husmann, '95, during Kastle Kapers.

Family Weekend

Students and parents renewed their "family ties" September 17-19 as part of Wartburg's annual Family Weekend.

The "Family Ties" weekend, organized by T. Todd Masman, director of student activities and Jen Johnson, '94, student chairperson, began Friday with a crafters sale.

That evening, about 150 people gathered in Legends to see Captive Free, Spiritsong, the Catholic Knights and solo student acts during the Campus Ministry Coffeehouse. Over 430 students, staff, and family members watched the animated feature *Alladin* later that night.

Nine duos competed in the parent/child look-alike contest Saturday. That evening, the Castle Singers entertained 186 people at the President's Dinner in Buhr Lounge.

British Import performed famous songs by the Beatles, the Rolling Stones and the Monkees Saturday night.

The weekend wound down on Sunday when students and family listened to President Vogel preach and the Wartburg Choir sing a piece entitled "Credo" at the worship service. The cafeteria served a family brunch to close out the weekend.

-Christi M. Larson

What a pair!- Julie Swaninger, '96, and her mother, Cheryl, won the look-alike contest.

Brother/ Sister/ Friend Weekend

The Campus Activities Board (CAB) sponsored Brother/Sister/Friend Weekend February 11-13. This annual event lets students invite guests for a weekend of activities.

Last year 135 students hosted friends and family members, consisting mostly of elementary and junior high school students.

T. Todd Masman, director of student activities, said the weekend gives the younger people (possible prospective students) a chance to experience college life.

Planning for the weekend started a month before the event. CAB contacted Residential Life to make housing arrangements and the Athletic Department and Food Service to get game and meal tickets.

"Overall I feel the weekend was very successful," said Stacey Frain, '94, special events committee chair. "Although we didn't have as many events as the past years, I feel it gave the guests more of an opportunity to visit the students they came to see."

Christie Koudelka, '95, and her younger sister enjoy a meal together in the Den.

Spiritual Emphasis Week

Spiritual Emphasis Week, February 13-18, focused on the theme "Build Boldly."

According to the coordinator of the week, Dana Scharnhorst, '95, the theme implied that "we need to build each other up, not put each other down."

The week emphasized Wartburg's relations to the church and its spirituality by hosting many special events.

Some of the events included the Graven Convocation, Mardi Gras held in Legends, Ash Wednesday service, Krista Wiger concert, singer and musician Swen and motivational speaker Bob Lenz.

For the past 8-10 years the week has revolved around Ash Wednesday.

"It is a neat way to focus on our spirituality," said Pastor Larry Trachte. "It's a good time to celebrate our church and our faith with just everyday folks."

-Stacey Frain & Larissa Schultz

Musician and singer, Swen shows the audience how it's sung.

Bob Lenz, motivational speaker, entertains his audience with humor.

Spiritsong sings for a large audience during Spiritual Emphasis Week.

An artist's sketch of the new Grossmann Hall. View shows the western side.

New residence hall bears old name

New bricks will uphold an old name. Wartburg is forging ahead with a new residence hall after learning that the F.I. Saemann Foundation is providing Wartburg College with \$1 million over the next decade for this project.

The new hall will be named for Georg Grossmann, founder of Wartburg College, and will replace the present Grossmann Hall. Grossmann was the grandfather of Irene Saemann, widow of Franklin I. Saemann, for whom the foundation is named.

Located across from The Residence on 8th Street NW, the new

188-bed residence hall is scheduled for completion in summer 1995. Excavation of the foundation began in early February.

The three-story building will include suites for groups of four, six or eight students, with sleeping rooms grouped around a small living area. Baths and showers will be located down the halls from the suites. This arrangement is similar to the one already existing in The Residence.

"This type of arrangement will provide more opportunities for interaction among the groups of students living in the suites," said Lex Smith, dean of students and vice president for student life.

Wartburg has also utilized community involvement. The concerns of residents living near the hall site have been taken into consideration while designing the building.

The new residence hall has been a high priority for the school due to overcrowding each Fall Term for the past several years.

But what of the original Grossmann Hall? Current plans call for its demolition, and the construction of a new library in its place.

A piece of Wartburg history will be lost except for memories.

—Larissa Schultz and
Paul Everding

VIEW FROM WES

The original Grossmann Hall.

They call that pass interference in the NFL. But I guess this is only flag football at Wartburg.

Jenny Schulz, '94, gets a little carried away at breakfast, to the delight of Paula Buswell, '94.

This isn't posed is it, guys? Paul Everding, '94, Brad Holten, '94, and Tim Seeger, '94, enjoy a "snowball fight."

"Hey! You're on my color." Freshmen get to know each other while playing twister during Orientation.

A study in concentration, Van Beach, '94, donates during the bloodmobile held in the PE Complex during Fall Term.

Doug Kuhlman, '95, has his hands full collecting recyclable paper as part of his Residence suite project. In the background is Brent Robbins, '95.

Fine Arts

Players present literary classic

It is 1775. Marriages are arranged for prestige and convenience, malapropisms abound and proper manners are imperative.

So was the setting for the Wartburg Players fall production of *The Rivals* by Richard B. Sheridan, considered by many scholars to be a literary classic.

The story centers around Capt. Jack Absolute's clandestine romance with Lydia Languish under an alias. Things heat up after Jack realizes his father, Sir Anthony, is making arrangements for him to marry Lydia. From there the plot twists merrily with cases of mistaken identity, climaxing in

a duel between Jack and a rival, Sir Lucious O'Trigger.

The 18th century English satire on manners was very different from past productions. Director Peg Hanfelt used period costumes and language to create the desired effect, leading to an increased grasp of the English language for both her and the cast.

"The vocabulary was over our heads so we used a dictionary quite a bit," she said. "That was a stumbling block for us when it came to memorization and understanding the action."

Likewise, the actors found the language a great challenge. Kelly Kremer, '97, said choosing which

accent to use depended on each character. "Most of us had to do an English accent. It was hard not to sound Irish," she said.

It was from this play that the term "malapropism" originated, after the character of Mrs. Malaprop who was always misusing the English language.

"Mrs. Malaprop's character was just a stitch," Hanfelt said. "It takes awhile for the audience to get into the language though."

Despite the language barrier, audiences at the three performances received *The Rivals* very well. In the immortal words of Bob Acres, "It was very genteel."

—Christi Larson & Paul Everding

Faulkland (Christopher Warmanen, '95) goes into a tizzy when he considers the possibility of his beloved spurning him in favor of another man. Capt. Absolute (Randy Steffen, '97) and Bob Acres (Brad Wood, '95) watch in amazement.

"That's my master's mistress' maid." Fag (Paul Everding, '94, right) informs his fellow servant, Thomas (Drew Haussmann, '95) of Capt. Absolute's clandestine love affair with Lydia.

Dinner Theatre smashing success

In an effort to rejuvenate itself, the Wartburg Players set a precedent by offering two plays during Winter Term 1994.

The result was the murder-mystery comedy, "The Clock Struck Twelve," co-produced by the Players and the Campus Activities Board.

Players President Brad Wood, '95, said he came up with the idea as a way to get more students involved in the plays on campus.

"It seems like people audition for the plays as freshmen, don't get a part and then decide they won't try out in the future," he said. "By doing two shows, we

could get more students involved."

The idea was enhanced when Wood learned that CAB was considering sponsoring a dinner theatre and was searching for a theatre troupe to do the performance.

"I asked CAB if they would consider co-sponsoring the show with Players," Wood said, "because we were already here on campus. And it would be cheaper for both of us."

The play was co-directed by Kathryn Heuton, '95, Players vice president and CAB president.

Both first-time directors worked in conjunction with winter play Director Steve Palmquist

so that the two shows would not conflict.

"We wanted to support each other," Palmquist said, "because this was good for the Players. It gives us more exposure on campus and may even lead to more support in the future."

Opening night, Feb. 4, was greeted by a sold-out house. The following evening's performance was just as well-received.

As a result of this success, the Players are considering setting a four-play schedule for the future, with two plays being performed each term.

—Paul Everding

Susan Heinrich, '97, finds the much-sought after document hidden in the "haunted mansion." A sullen Justin Schaefer, '97, and the rest of the cast listen as the identity of Lucille's killer is revealed.

Players tackle risky social issues in "Heidi"

Along with such fits as 18th century British drama and dinner theatre productions, Wartburg Players also took some risks last year.

For their winter production, the Players presented Wendy Wasserstein's Pulitzer Prize-winning play, "The Heidi Chronicles." It was a risk for both the actors and Director Steve Palmquist since the play deals with several touchy social issues.

"It's one of those plays that will generate some discussion," he said. "People won't be able to see it and not think about it."

The play chronicles the life of

Heidi Holland from her senior year of high school in 1965 until she finally comes to terms with her life in 1989. Reflecting the views of Wasserstein, the play contains a very feminist theme throughout the plot as well as tackling issues such as homosexuality, marital fidelity, unwed motherhood and social acceptance.

"I think whoever comes to see this is going to see some aspects, some little sliver, of their own life," Palmquist said.

Another risk in doing the play was the language. Several scenes contained harsh profanity that the actors and Palmquist either toned down or omitted. But it could not

be removed completely. "If we would have completely sanitized it, the play would have lost some of its punch," said Palmquist.

The "Heidi Chronicles" opened to a small house, but was well-received by those in attendance.

Michael Stadtmueller, '95, said there was a noticeable change in the audiences' reception of Peter after his character announces he is homosexual.

"They were laughing at his jokes when the play started," he said. "But once he said he was gay they just shut up."

However, the cast agreed that doing the play was worth the risks.

—Paul Everding

Peter (Paul Everding, '94) musters the courage to tell Heidi (Jessica Erickson, '97) that he is gay as, ironically, she confidently tells him he needs a girlfriend to make him happy.

Scoop (Michael Stadtmueller, '95) attempts to put the moves on Heidi (Jessica Erickson, '97) at a Eugene McCarthy for President rally.

The girls have a feminist jam session where they attempt to find their identity. Here, Fran (Kathy Hesterberg, '94), Jill (Emily Jaspers, '97), Becky (Cheri Jensen, '97) and Susan (Joann Haase, '95) sing a "favorite camp song."

*"Oh Bliss,
Oh Rapture"*

Opera Performs H.M.S. Pinafore

David McLean rushed around Neumann Auditorium giving last minute advice to cast members of the opera "H. M. S. Pinafore" before opening night.

McLean, a visiting professor in English from Australia, lent his vast theatre experience and expertise to Professor Jeff Snider and Opera Workshop for their production of the nineteenth century satire about the social class system. "He's done a phenomenal job," said Pam Ollendieck, '94, piano accompanist.

The opera took place in Victorian England, with most of the action centering on the British warship *H. M. S. Pinafore*. As the opera opens, ship's Captain Corcoran is arranging the marriage of his daughter, Josephine, to Secretary of the Navy Sir Joseph Porter. But plans go awry when it is discovered that Josephine has fallen in love with seaman Ralph Rackstraw instead—a man from the lower class.

The two lovers plot to run away and get married, but Dick Deadeye, an unpopular member of the crew, informs the Captain. The Captain arrests Ralph and is preparing to have him flogged with the cat when Little Buttercup, a street wench, reveals that she used to hire herself out as a surrogate mother when she was younger.

It was she who mothered Corcoran and Ralph, one to an upperclass family and one to a lower class family; only, she mixed up the babies when they were born. It is Ralph who should have been the rightful captain of the *Pinafore* and Corcoran who was of lowly birth.

Everything ends well as Ralph assumes command of the ship with Josephine on his arm, Corcoran gets together with Buttercup and Sir Joseph settles for one of his "cousins."

The Crew of the H.M.S. Pinafore: from left, front: Michael Jensen, '95, Brian Stinar, '94, Justin Schaefer, '97. Back: William Grant, '96, Mike VanLaningham, '96, Blair B. Buffington, '95, Dan Anderson, '94, Will Rutledge, '95.

Visiting Professor David McLean gives Justin Schaefer, '97, some pointers on acting, opera-style.

Wartburg College Concert Band

"Hands Across the Peninsulas Tour"

The common gesture of holding up two hands to represent Michigan became the logo for this year's 25th annual United States Wartburg College Concert Band Tour, "Hands Across the Peninsulas Tour."

The 10-day tour covered parts of Iowa, Indiana, and Illinois in addition to its four stops in Michigan: Crystal Falls, St. Ignace, Grand Blanc and Dearborn.

The bus tour took the 77-memberband to the upper peninsula of Michigan, where temperatures dipped into the thirties. The band stayed the night in Crystal Falls at a camp owned by the parents of Christopher Warmanen, '95.

The band performed every night from April 16-24, taking the night off in Chicago on April 22 to see the sights.

Students enjoyed shopping, the Chicago Institute of Art, a visit to Shedd's Aquarium, and 48 members paid \$40 to see a performance of "The Phantom of the Opera."

Students enjoyed shopping, the Chicago Institute of Art, a visit to Shedd's Aquarium, and 48 members paid \$40 to see a performance of "The Phantom of the Opera."

The band's concert began and ended with marches by John Philip Sousa and contained a variety of music throughout the performance. French horn player Kristen Capel, '95, performed a

featured solo, *Morceau de Concert*, by Camille Saint-Saens. Other selections included Tchaikovsky's *Symphony No. 4*, *Melita* by Thomas Knox, *American Overture for Band* by Joseph Jenkins, *Jericho* by Morton Gould, and *America the Beautiful* by Samuel Ward.

One of the highlights of the program was the performance by Associate Professor of Music Dr. Jeffrey Snider. He was the first Wartburg faculty member to travel with the band, with the exception of the director, Dr. Robert E. Lee. Snider performed two baritone solos, a portion of *The Death Tree* by David Holsinger and *Largo al Factotum*, an aria by Gioacchino Rossini.

The band had its share of unexpected twists. A few students became ill and had to sit out performances. According to band vice-president Brenda Hanson, '95, there were more than seven students who got the flu and missed concerts.

The first night we thought it was something they ate," she said. "But then it spread throughout the tour, and we knew it was something real."

Ending the tour in classic style, Trumpet player Chris Bolson, '97, was sick one night and ended up loaning his tuxedo to Dr. Lee, who misplaced his own.

Wartburg Choir

The 1994 tour of the Wartburg College Choir was the most relaxing in years. The choir toured during the annual Tour Week of Wartburg, April 14-26, around the area of Minneapolis-St. Paul, Minnesota.

Stops took the choir to Burnsville, Bloomington, Anoka, St. Cloud, Eau Claire, Wis., Cedar Rapids, Ia., and back home to Waverly. Most of these stops were less than an hour away from each other which benefited the members more time off the bus.

During that time the members had a chance to shop until they dropped. Shopping stops included the Mall of America and downtown Minneapolis.

The choir also saw a variety of museums and art galleries, including the Walker Institute of Art and Sculpture Gardens. The most exciting event on the tour was singing in the Baslica in Minneapolis.

It is rumored that the choir will record at the Baslica sometime next year.

The choir is an 80-member group consisting of students from all different majors. The group rehearses five days a week, with each practice consisting of warm-ups, prayer, benediction and chances for the members to express the music from their hearts.

Dr. Paul Torkelson, director of the choir, prepares the singers throughout the year for numerous performances, like the ones on the tour.

The Wartburg Choir uses their talents to entertain and enlighten not only the Wartburg community but communities throughout the country and the world.

-Justin Schaefer & Larissa Schultz

Performers must remember to follow the direction of the director. The Wartburg Choir performs during the spring concert.

Dr. Torkelson directs the choir as they sing at a concert.

Jennifer Cole, '95, and Jon Howie, '94, perform at the Christmas with Wartburg Concert.

Christmas with Wartburg gets new look

"...and a little child shall lead them." -Isaiah 11:6

Just as the foundations of a new religion were laid with Jesus' birth, the foundations of a new Christmas with Wartburg were laid.

It was the first year Dr. Herman Diers did not narrate the traditional Wartburg Christmas celebration. With his retirement last year, Pastor Larry Trachte stepped forward to fill the void and bring a new voice to the program.

Despite concerns by some people that Christmas with Wartburg would lose some of its power with the change, Dr. Paul Torkelson said the program was just as good as it ever was.

"I think we put those fears to rest," said the choir director. "The program takes on the personality of the people (who put it together.) I think Larry brings something new and different."

Trachte was responsible for tying together the 13 pieces of music to reflect a common theme. The 1994 program contained both traditional and contemporary carols, giving the celebration some of its special appeal.

This year's program provided variety, featuring old favorites such as "Go Tell it on the Mountain" and newer pieces such as "Salvation is Created." The band's opening piece, "How Shall I Receive Thee," served as a preludial fanfare, and the congregations sang along during the hymn sections. The whispers of "Kyrieleis," performed by the Wartburg Choir, stunned the capacity crowds into silence, as did the combined finale, "King of Light."

Torkelson said he chose "King of Light" this year, to give the performers a chance to sing and play without reservation.

In the piece, the Wartburg Concert Band, Wartburg Choir and Castle Singers all built on and complemented one another to create a majestic ending exhibiting the power of both instruments and voice.

Also for the first time, the Wednesday night dress rehearsal was opened to the public. Despite a new distribution method, close to 1,000 interested people were unable to get tickets for the sold-out performances.

In response, it was decided to open the dress rehearsal to the public. Torkelson estimated that 250 people attended the rehearsal, but there are no plans for an additional performance in the future. "If it ain't broke, don't fix it," said Dr. Robert E. Lee, band director.

Dr. Paul Torkelson directs the Wartburg Choir as they lift their voices in song.

Knightlitters Wartburg Jazzband

Knightlitters is a jazz band at Wartburg College that has a wide range of performances throughout the year. This year the band played at Kastle Kapers, the Meistersinger Honor Band Festival and a concert for Fall and Winter Term with the Castle Singers. But don't forget their famous one Wednesday per term performance at the college hangout, Joe's. The members of this active jazz band meet once a week for a one and-a-half hour practice. All students are invited to audition in the fall of each academic year.

Knightlitter sax player really jazzi'n' it up at Joes during the annual Fall term performance.

Aren't you supposed to be playing instead of talking? Two Knightlitters take a quick breather before continuing to play.

Boogeymen, Ballet, Broadway and Brass

Wartburg College's 1993-94 Artist Series, "Boogeymen, Ballet, Broadway and Brass," had something for every taste. The 73rd season, which was directed by Dr. Franklin Williams, included "Ghost Stories," "The Nutcracker," "My Fair Lady" and "The Americus Brass Band."

The Series opened on Oct. 20 with "Ghost Stories," an adaptation of stories written by Stephen King. The show consisted two acts containing six stories with three in each act.

"Ghost Stories" was performed by a group of five from Troupe America, Inc., which operates Plymouth and Venetian Playhouses in the Twin Cities area. The holiday production of

Tchaikovsky's classic ballet, "The Nutcracker," which was performed by Ballet Theatre Pennsylvania on Dec. 8, was sold out, according to ticket manager Karen Funk.

The "Nutcracker" is a timeless story of a child's Christmas fantasy. It is filled with mechanical dolls and dancing mice. Students from Sabrina's Dance Academy and The Dance Center in Waverly danced the roles of Party Children and of Bon Bons.

"My Fair Lady," one of the longest running Broadway musicals in history, was performed on Feb. 24. The show by Alan Jay Lerner and Frederick Loewe, is based on the comedy, "Pygmalion" by George Bernard Shaw.

The familiar story tells how a common flower girl, Eliza

Doolittle, is turned into a lady suitable to be presented in court. Her tutor, the arrogant phonetics expert Henry Higgins, bets Col. Pickering that he can transform her social status by changing her speech from heavy cockney to correct English.

The musical was created and premiered in 1956 and was made into a motion picture, starring Rex Harrison and Audrey Hepburn in 1964, when it finally closed its first run on Broadway. It returned to Broadway again in 1981.

The Americus Brass Band, considered the foremost full-time professional Civil War replica band in the country, concluded Wartburg's Artist Series season with a performance on Mar. 18. The two-act show was titled "Honor and Glory: Civil War

Memories" and was an historically accurate portrayal of the Fourth Georgia Infantry Regimental Band, one of only two Confederate bands to remain intact throughout the entire war. Playing authentic instruments, the 14 musicians and three singer/dancer/narrators not only performed the marches, quick steps and drills that accompanied the troops through battle but also recreated the concerts and balls of the period.

The Americus Brass Band was founded in 1976 by a group of music students from California State University, Long Beach. Boogeymen, Ballet, Broadway and Brass made the 1993-94 Artist Series concert season a success, as usual.

Castle Singers "Down Under"

"The exotic nature of traveling to a place like Australia is intriguing to people," said Dr. Paul Torkelson, associate professor of music and Castle Singers director.

Over May Term, the Castle Singers toured Australia. While there, they gave 12 concerts and went sightseeing in such places as Melbourne, Murray Ridge and Sydney. But the highlight of the tour, said Torkelson, was the host stays.

The Castle Singers stayed with host families for 18 nights on the tour, giving them the chance to learn about the culture without facing communication problems.

In previous years, the singers have toured the United States and overseas in places such as Romania, Bulgaria, Greece and the former Soviet Union.

Torkelson had considered to

take the singers to China and the Soviet Union, but because of the language differences in China and the instability of the Soviet Union, he decided on Australia.

Castle Singers President Karen Myrom, '95, said she was excited about the trip, the travel opportunity and the chance to perform.

"We've really worked hard all year," she said. "While down there we gave some great performances and had a memorable time."

There are 53 singers in the group this year. Torkelson said that even though the group is larger normal, it is not more difficult to work with.

In fact, Torkelson said he is fond of the greater sound, versatility and talent a larger ensemble is capable of.

During the concerts the singers performed 16 songs from memory,

including "On Green Dolphin Street," "The More I See You," and "Over the Rainbow."

Torkelson enjoys touring because it offers him the opportunity to focus on the tour itself.

At the end of the tour, the group spent four days in Hawaii relaxing and sightseeing. According to Castle Singer Adam Sandford, '96, Hawaii was "the icing on the cake."

"The Sky's the Limit" with the Wartburg Community Symphony

The Wartburg Community Symphony presented five concerts as part of a 1993-94 season titled "The Sky's the Limit."

Dr. Janice Wade began her seventh year as director and conductor of the group, which includes Wartburg students and volunteer and paid musicians from the Waverly area.

The symphony's Dec. 11 concert, a performance of *Anahl and the Night Visitors* that featured soloists from the Wartburg Music Department and members of the Waverly-Shell Rock High School Concert Choir, set an attendance record.

Robert Weast and His Swingin' Big Band played in Knights Gym for the orchestra's Homecoming pops concert, which

also included pops music by the symphony. Dance floors set on top of the gym floor provided room for dancing. The Homecoming symphony concert became a feature of Saturday evening Homecoming activities in 1991.

According to Wade, the orchestra reached a new level of musicianship during the season, a reflection of Wartburg's string program and the musicians ability to tackle more difficult music. The Wartburg Community Symphony Association continues to provide a number of scholarships that allow qualified orchestra students to continue private study of their instruments.

The Rev. Robert Gremmels, one of the
bastions of Wartburg journalism.

“Accuracy,
accuracy,
accuracy.”

—Rev. Robert Gremmels

Bob enjoys the latest
edition of the Trumpet
while lounging in the
Graphic Arts Room.

Farewell, Bob

Passing the torch—and a few presents for the road. Shelly Green, '97, returned to Wartburg in 1993 as visiting professor of journalism. She would fill the vacancy created by the retirement of the Rev. Robert Gremmels, her former journalism professor. Here, Green presents Gremmels with a farewell gift at a reception in his honor. Green agreed to stay at Wartburg for the 1994-95 academic year, raising the possibility of her becoming a long-term faculty member at Wartburg.

The Communication Arts department, in 1993, changed in such a way that it shall never be the same. The sounds of Mahler's symphonies are no longer ringing through the halls, or Bob Gremmels' mumbling something about accuracy as he strolls toward his office. Known to his students as "Bob," the Rev. Robert C. Gremmels, '52, has moved on.

Gremmels retired from Wartburg at the end of Fall Term after 33 and one-half years, (37 and one-half if you count his years as a student).

His wife, the Rev. Beth Olson, serves a congregation in Decorah and Gremmels decided he wanted to be free to move wherever her assignments would take them.

When asked how he planned to spend his retirement, Gremmels said he planned to read more, listen to more music, do some freelance writing and work on his house.

"I also want to see how many days it takes to get bored," he said. "I can't remember what it's like to be bored."

Gremmels held many different positions at Wartburg since he joined the staff in 1960. He started as the alumni director, then headed the public relations department and directed the Artist Series. It wasn't until 1972 that he became involved with the Communication Arts program.

When Gremmels began teaching, the number of journalism majors was so low that the col-

lege wasn't certain the program could be kept alive. Since then he has watched the program build to 77 students.

Along with helping increase the size of the program, he also helped with its transition to a new home. The department moved from Neumann House, an old, two-story relic across from Neumann Auditorium, to the McElroy Communication Arts Center in 1991.

Aside from his staffing duties, Gremmels was an adviser to Wartburg's chapter of the Society for Collegiate Journalists, *The Trumpet*, *The Page* and *The Fortress*.

Gremmels' philosophy toward teaching was exemplified in each student publication. Many have referred to his method as a "hands-off policy" encouraging students to learn from their own mistakes and successes. He believed students could get enormous amounts of experience this way.

Grant Price assumed duties as department chair this year, and Shelly Green, '87, has joined the faculty as visiting assistant professor.

Communication Arts students remember Bob as adviser, teacher and friend. His influence will live on in the writing styles of several students as they pursue careers in the communications field.

We miss you Bob!

P.S. 'Accuracy, Accuracy, Accuracy!'

—Molly Gehl & Larissa Schultz

Habitat for Humanity

After a hard week of classes, the last thing most people would want to do is get up early Saturday morning to go to work. That is how 50 Wartburg students periodically spent their weekends in Habitat For Humanity Programs.

The group had their first workday in the Fall of 1993. The trip was considered successful, with one positive problem—more people signed up than were expected.

Craig Dittmer, '95, president of the Wartburg chapter, is in charge of making sure things like this don't happen.

Dittmer's explanation for the popularity of Habitat is word of mouth.

One person who heard about the program, Michael Sharp, '97, learned about it at the Student Activities Fair earlier in the year.

The members of Habitat do a wide range of work on houses, such as siding, cleaning up, landscaping, drywalling, and insulating.

The history of the Wartburg Chapter of HFH almost parallels that of its parent Chapter, the Greater Black Hawk HFH. Both were formed in 1990. Waterloo is responsible for finding the homes to be worked on and providing the needed materials. Wartburg workers are responsible only for showing up and working hard. Like the national program, anyone who expresses interest can help.

"The feeling you get from helping someone, it's almost indescribable," Dittmer said. "It's just a good way to get outside and do something special with people who have the same interest as you, helping people."

It's a feeling that allows students to spend prime sleeping hours helping others without complaining.

-by Michael D. Evans

Tons of fun!—Habitat for Humanity show a sidewalk that some of the workers took out in the process of restoring a home.

Reduce, Reuse, Recycle

Acting for a Cleaner Tomorrow

ACT's annual recycling day—loading up paper and recyclables collected from the campus.

One of the many recycling bins, put out by ACT, placed around various buildings on campus.

Acting for a Cleaner Tomorrow (ACT), a 12 member group, is helping the Wartburg College Community become more environmentally aware.

ACT is more than “just a recycling group.” One of the group’s purposes is to promote the three R’s (Reduce, Reuse, Recycle) by environmental education and recycling efforts, but also to promote effective management of college resources.

ACT was founded in 1991 by Wartburg students interested in actively conserving the environment. It has increased over the years, but lost a lot of upper-class students in the past two years.

According to Jay Wright, ‘94, 1993-93 president of ACT, “It is hard to get students to form environmental habits now, but it will help them in the future when they receive their own electric bills.”

“The point is to make them want to recycle,” Wright said. “Some people won’t change unless it is in their face. We could turn the whole situation into something positive.”

So far that is exactly what the group has done this year. Because of ACT the college community is realizing that their needs to be a balance, “we can’t depend on technology forever.”

- Jodie Heilskov & Larissa Schultz

Cafeteria Changes

"Choices, choices, choices"

Choices, choices, choices: Pizza supreme, pasta alfredo, deli sandwiches, delectable desserts, omelets made-to-order, fresh fruit, crisp salads, main entrees and international cuisine. Untils this year, Wartburg students never had the pleasure of choosing between so many different foods in the cafeteria. The introduction of a pasta bar, a pizza court and a wok court enabled students to get more than the traditional food choices. "I think it's cool that we have so many choices," Chrisit Larson, '97, said. "It's a big change from high school."

A change was also made in the atmosphere of the cafeteria with the addition of six new television sets.

According to Don Juhl, director of Food Service, changes were needed to keep up with what students wanted.

According to Don Juhl, director of Food Service, changes were needed to keep up with what students wanted.

The pizza court, which was introduced last May Term, continues to be popular. Pizza is offered ten times a week, with different toppings each time. Pizza from Pizza Hut is offered on Wednesday evenings.

New juice machines were also added. Since the college changed juice companies, the new company donated the six television's as an incentive for sampling it's products.

The presence of the television's in the cafeteria caused quite a controversy among students during Fall Term. The situation between the television's and the radio being on at the same time was solved through negotiations between the Food Service staff and the student body.

In general, students are pleased with the changes of the cafeteria. The main complaints had to do with the way the lines moved, and the absence of a few of last year's items.

It's true that many students tend to complain about cafeteria food, usually with complaint letters being sent to mom and dad to send real food. Thanks to this year's changes, the multitude of choices has made eating in the Wartburg Cafeteria a real pleasure. Now mom and dad can hear about how well their child is eating.

- by Amy Gehlsen

A Wartburg student stir fry's some tasty Chinese food at the Wok Court.

Students help themselves to the new Pasta Bar, a new addition to the cafeteria.

Tae Kwon Do Club

This year the Tae Kwon Do Club acquired eight trophies in the only tournament they entered.

With four years of instruction under Eric Bauer, '94, students of the club have collected over 40 trophies, including two Grand Champion trophies.

Since the club began during the 1990-91 school year, eight students have received black belts.

Next fall the Tae Kwon Do Club will become a part of the organization called the American Tae Kwon Do Foundation under Y.S. Chung. The new organization will give Wartburg students a better opportunity to experience Tae Kwon Do.

This organization will help Wartburg to begin an instructor training program, for students who wish to teach other students the art of Tae Kwon Do in the future.

-by Eric Bauer, instructor

Team members of the Tae Kwon Do Club practice their kicks.

Wartburg Dance Team

A Most Spirited Team

In their 1993-94 season the Dance Team performed at football games and basketball games. But their participation in the Midwest Regional Dance Competition in Minneapolis, made this year extra special for them.

The competition was hosted by St. Cloud State University and proved to be successful for the team.

The team placed second in the Precision/Kickline category and fourth in Jazz/Funk.

The most rewarding experience came when the squad was named The Most Spirited Team. According to Competition Coordinator Kristen Patterson, "This is the most important award given," she said. "They showed the most friendliness, the best sportsmanship and

offered the most encouragement to other squads."

Julie Breitbach, Dance Team Advisor, was not surprised by the honor. "I've known all along that we're spirited, good sports and very enjoyable to work with," she said. The squad received a plaque for display in the PE Complex.

Wartburg was the smallest school at the competition, performing with such schools as Mankato State University, and University of Wisconsin (Green Bay).

SOCIETY FOR COLLEGIATE JOURNALISTS

The Society for Collegiate Journalists (SCJ) is a national co-educational honorary society for students who are interested in mass communications. The year of 1975 marked the formation of this group through a merger of two long-established fraternities, Alpha Phi Gamma and Pi Delta Epsilon. Recognizing individual ability and achievement in journalism, establishing relationships between students and members of the profession, and uniting students interested in mass communications are the primary goals of the organization. In order to be in SCJ one must be an undergraduate possessing good scholarship and showing promise in the journalistic field. The members of this year's group published a college directory as one of the main projects, sent ten delegates to the 50th annual SCJ convention in Hammond, Louisiana, and sponsored a Homecoming Brunch for communications alumni.

From left, Row 1: Molly Gehl, Brenda Haines, Pam Myres, Dan Digmann, Kristin Drackley, Stephanie Frame. Row 2: Paul Everding, Brad Wood, Kevin Studer, Eric Hanson, D.J. Dubois, Christopher Warmanen, Shelly Green-advisor. Not pictured: Larissa Schultz.

STUDENT SENATE

The members of Student Senate attempt to fairly represent the student body at Wartburg in all aspects of student life. Composed of a large group of senators that meet once a week, these members divide into subcommittees of publicity, political action, student relations and academic policies. The goals of Student Senate include: expressing their interests, providing a democratic procedure to serve student needs, coordinating student activities and promoting general welfare of students.

From left, Row 1: Shannon McNamara, Kathryn Heuton, Maia Bork, Beth Onsrud, Amy Johannsen, Venus Stacks, Chad Jennings, Heather McClintock, Jason Madden, Deb Wilkinson. WASE

The Wartburg Association of Student Educators, also known as W.A.S.E., is an organization primarily for elementary and secondary education majors. It offers the opportunity to further the knowledge and experience of education majors through numerous activities. Some of these include the Longfellow conferences, guest speakers and Wartburg West student teachers sharing their experiences. Becoming friends with many new people is a large part of W.A.S.E., which can be done while working at the multiple fund-raisers or while attending the other activities that are planned throughout the year.

HANDICAPPED BOWLING

A sub-group of the Social Work Club, the members of Handicapped Bowling have Saturday bowling sessions throughout the year. Its participants are both mentally and physically disabled individuals whose ages range from 14 to the 60's. The group works toward providing socialization and recreation for the bowlers. Along with it comes the volunteers' experience, as well as personal growth and recreation that develops from being able to interact with these special people.

From left, Row 1: Angie Gansen. Row 2: Karla Quam, Sallie Cummer, Ker Karnes. Row 3: Wendy Koranda, Ronn Newby.

SPIRIT SONG

Spirit Song is a religious vocal group, consisting of 27 students, who audition for the group at the beginning of the school year. The choir travels to various churches in and around Iowa where singers either conduct the church services or help with them. Sunday school classes offer the students a great chance to teach children songs, along with the opportunity to share part of their faith with them. This year Spirit Song performed at the Fall Coffeehouse, First Lutheran Church in Carpentersville, Illinois, the Christmas Candlelight Service, Kirchentag, and many other events.

FAITH ALIVE

Being a Christian out-reach group, Faith Alive travels to various churches in Iowa and surrounding states. The group members primarily attend and help with youth lock-ins, where they teach the youth songs, perform skits and play games. The large Faith Alive group meets periodically to update all of its members on upcoming events. The smaller groups, composed of five members, then individually choose and attend these various events. This year the Faith Alive group, together with a youth group from a church in Minnesota, took a trip to the Mall of America.

AMERICAN CHEMICAL SOCIETY

The American Chemical Society is an organization aimed at chemistry majors. The group helps to expand the members' knowledge of chemistry, as well as offer unique opportunities to help spark interest in non-majors. Assisting local Boy Scouts in earning a badge and putting on a chemistry show for youth are two events the organization was involved in this year. During meetings, upper classmen speak about their chemistry related work experiences and other opportunities that are open to chemistry majors.

HABITAT FOR HUMANITY

In its fifth year of service, Habitat for Humanity continues to help people acquire adequate housing for a very fair price. The approximately 60-member group gets up on chosen Saturday mornings, travels to Waterloo where they provide labor for the Waterloo Habitat affiliate. The individuals in the organization are very committed to spreading the word about Habitat and helping people. A typical day's work may include removing a sidewalk, tearing down a garage or putting up drywall. Being an active organization, Habitat also held a campfire at Cedar Bend this year and raked leaves as a fund-raiser for the Waterloo chapter of Habitat for Humanity.

From left, Row 1: Lauren Dybowski, Amy Betz, Joann Haase, Nicole Galbraith, Theresa Alt, Jodi Schall, Vicki Martinez. Row 2: Lisa Sandman, Sarah Lipker, Craig Dittmer, Angie Bents, Jayne Molde.

STUDENTS FOR PEACE AND JUSTICE

Consisting of students who are concerned about issues of peace and justice in our community and our world, Students for Peace and Justice works to raise the awareness about the injustices that take place in our world and how people can work to eradicate them. To help accomplish this, the group participated in the Hunger Awareness Days earlier this year when Lutheran World Relief visited campus. The members collected all of the food waste from one noon meal period in the cafeteria and displayed the waste at the evening meal. Prior to this the Students for Peace and Justice made beaded necklaces for the Renaissance Faire, giving the proceeds to a New York program whose focus is justice.

Row 4: Jenny Holmberg, Tara Brink, Nancy Schneider, Jayne Molde, Annette Rahlf, Jeremy Herrick, Mike Bossom, Jessica Schuldt.

COMPLEX HALL GOVERNMENT

To provide the dorm residents with opportunities for growth and recreation, this year the Complex Hall Government planned the Annual Bob Vogel Mini-Golf Tournament for Brother/Sister/Friend Weekend, the Jail and Bail fundraiser during Homecoming, and provided free Sunday snacks for interested people. The group members also act as a vehicle for the residents' ideas concerning their living environment. To better reach everyone *The Complex*, a monthly newsletter, is distributed in all of the restrooms, being placed in the individual toilet stalls. Also available this year were Hall T-shirts that all residents had the option to buy.

From left, Row 1: Shannon McNamara, Christina Hubka, Julie Preuss, Val Sperry, Amy Hamilton, Tina Kube. Row 2: Sarah Haussmann, Kate Swanson, Christi Larson, Steve Mathesius, Amy Leemhuis, Sarah Smeins, Julie Westre.

CHRIST'S JESTERS

Christ's Jesters is a faith expression group whose goal is to get people to think about what worship really means and to remind them that God has a sense of humor. To help them accomplish this, the group travels to various churches in the surrounding area of Minnesota, Wisconsin and Illinois, where they assist with lock-ins, perform worship services and do workshops about clown/mime ministry. This year their campus activities included kicking off Spiritual Emphasis Week, participating in the Homecoming Parade, and performing the worship service for Brother/Sister/Friend Weekend.

From left, Row 1: Kevin Cummer, Laura Tidball, Autumn Schnoor, Kristen Meier, Venus Stacks, Brenda Mabus, Jenny Bye, Mike Linquist. Row 2: Kurt Koefl, Troy Smith, Terrence Klein, Jim Glawe, Becky Frits, Anne Lafferty, Teresa Harrenstein, Dana Wieskamp, Bipin Patel, Rick Smith, Kevin Schmitz.

PHI BETA LAMDA

Phi Beta Lambda is a national organization composed primarily of business students. The group's purpose is to educate students and expose them to the business world. In addition to Phi Beta Lambda's monthly business meetings with guest speakers, they also had a booth at the Renaissance Faire, prepared the Survival Kits for finals weeks of both Fall and Winter Term and had students attend state and regional conferences.

HISTORY CLUB

Wartburg's History Club is open to history majors or minors, as well as anyone who is interested in history. For this year the group planned activities such as a book sale during Homecoming Weekend and taking a trip to Galena, Ill. To further their enjoyment of history, the members attend any historical attraction in the area that is of interest to them.

From left, Row 1: Karen Junko, Nicole Galbraith, Deb Timm, Amy Bossard, Amy Hamilton. Row 2: Dr. Terry Lindell, Brian Swaninger, Kary Steffen, Matt Staff, Paul Everding.

ADOPT A GRANDPARENT

Each member of Adopt-A-Grandparent is given the name of one resident at Bartels Home in Waverly that is to be their adopted grandparent. Throughout the year the students visit their grandparents as frequently as possible. Taking cards, pictures, games or just themselves, the group members individually become friends with the elder people. Plus, the "grandparents" gain the student's friendship and companionship in the process. Any Wartburg student can participate in this organization.

ACTING FOR A CLEANER TOMORROW

The campus recycling group, Acting for a Cleaner Tomorrow (ACT), is open to all students, faculty and staff interested in recycling and energy conservation. Not only do the members transport recyclables from the Wartburg campus to the Waverly Recycling Center once a month, they also plan programs that stress energy efficiency. For the school year, the group intends to implement programs that have been formed to stress water and electrical efficiency. These activities are all a part of ACT's goal to educate the Wartburg Community about reducing, reusing and recycling.

CULTURAL AWARENESS

Wartburg's Cultural Awareness Organization promotes awareness and appreciation of people who represent ethnic American populations. This is accomplished through educational activities, social programs and by providing programs that are entertaining. This year the group members not only set up an African American History showcase in February, they also had an 'Eyes on the Prize' video series during Black History Month. Planning parties for the group members at various times throughout the year, being involved in a service project, and participating in traditional Wartburg activities, like Renaissance Faire and Homecoming, are just a few of the ways that the group works toward becoming a family unit of students interested in gaining insight into social issues involving ethnic Americans.

LEADS

LEADS is a student-run organization that promotes student involvement and ownership in leadership decision. Throughout this school year group members presented mini-workshops at community Roundtable each month, planned and distributed Student Activity Reports, and helped with the Future's Project. All students who are interested in leadership are welcome to attend the bi-monthly meetings.

Residence Halls

The infamous U-shape of the Complex.

Brandy Parrot, '97, and Dan Friemuth, '96, eye the infamous turkey that was found in Centennial Lounge this year.

The Complex: Hebron, Centennial and Vollmer Hall

The groundbreaking for the new Grossmann sheds a new light on the history of resident halls on campus.

In 1952, more than 100 students were turned away from Wartburg due to lack of sufficient housing. Students were forced to live off-campus, or in crowded conditions in the main halls: Grossmann Hall, Wartburg Hall and North Hall.

The president at the time, C.H. Becker, decided to do something to fix the problem. By the late 1940's plans for a residence hall complex were already on the drawing board.

On April 28, 1953, the construction of the Centennial Complex began.

Centennial Hall, named for Wartburg's century of progress from 1852-1952, cost close to \$360,000. Much of the money was raised through numerous fundraisers and Alumni campaigns. It was built to house 112 women, with an intercom system and apartments for the housemothers.

Centennial was completed in the summer of 1954. It was dedicated during Homecoming weekend, when President Vogel was head of the Homecoming committee.

The second wing of the complex, Vollmer Hall, was built in 1957 and had accommodations for 128 women. Vollmer Hall is named after a dormitory matron, Mrs. M. Vollmer.

Hebron Hall, which was also a women's dorm, was completed in October of 1962. Its name resulted from a naming contest that was held by the *Trumpet* staff and student senate. It was named after Hebron Junior College in Hebron, Nebraska, which was once a part of Wartburg.

The construction of Centennial Complex marked an era of growth for the Wartburg community. Within the next few years, Clinton Hall, the Student Union and Neumann Auditorium were also added to the campus.

This year, Wartburg began another era with the construction of the chapel and the new Grossmann Residence Complex.

1993-1994 Complex Activities

- Massage therapy session
- Breast Cancer discussion
- Pizza parties
- Self defense lecture
- Easter egg dying
- Orientation-variety show
- Pot luck dinners
- Secret pals and secret Santas
- Bowling party
- Floor decorating contest
- Floor pot-luck

Waverly Manor contains Ottersberg, Swensen, Engelbrecht and Wiederaenders House.

Workers tar the roof of Ottersberg during much of Fall Term.

Afton Manor contains Cornlis, Chellevoid, Ernst and Schmidt House

Workers finish tuck-pointing the houses of Afton Manor.

Waverly and Afton Manor

During the 1960's, Wartburg continued to grow in size. President John Bachman decided that more housing was needed on campus. After consulting with faculty and students, it was decided that Wartburg college would have 'dormitory clusters.' This type of housing would consist of groups of eight-person rooms with a bathroom and lounge area. They are known to us as the Waverly and Afton Manors.

Construction on the two buildings began in 1967, after the loans and contracts were approved by the American Lutheran Church. Emery-Prall Associates of Des Moines and Gethmann Construction Company were in charge of the contracting. The two buildings were originally thought to cost \$400,000 a piece, but Afton Manor alone cost more than \$468,000.

During 1966, Wartburg was again facing crowded women's dormitories. To alleviate this problem, one of the manors was to house males, while the other was to house females. Today, each house is co-ed, the top floor housing women and the bottom floor housing men.

In May of 1968, when Afton Manor was finally dedicated, 96 students could live in each building. This year, according to Residential Life, both Waverly and Afton Manors house only 92 students maximum.

Each manor was further divided into four houses. Waverly Manor contains Weideranders, Engelbrecht, Ottersberg and Swensen houses. Afton Manor contains Chellevold, Cornils, Ernst and Schmidt houses.

-Christi Larson & Larissa Schultz

1993-1994 Manors Activities

- Ice skating in Waterloo
- Homecoming window painting-Swensen received 2nd place
- Christmas tree decorating party
- All campus info session on dyslexia
- Cookout at Cedar Bend Park
- Attending comedians, movies and music acts as a house
- Brown Bottle expeditions
- Super Bowl part
- Hockey game in Waterloo
- House attendance at football games
- House attendance at basketball games

Suite 304N enjoys a relaxing shaving cream war. Pictured left to right: Amy Johannsen, '95, Wendy Wiegmann, '95, Nancy Schneider, '95, Heather Tracey, '95 and Jen Bergen, '95. Front middle: Heather Pratt, '95.

The Residence. Residence North in the forefront with the Residence South in the background.

The Residence: North and South

In the spring of 1987, work began on the newest building on campus. The Residence was completed for the 1987-88 school year and beds 48 students.

The north and south wing of The Residence was built, by authority from the Wartburg College Board of Regents, in order to meet housing needs created by enrollment increases.

The three-story wings are joined by walkways to the former house for the Wartburg College president and are located just north of the Student Memorial Union.

The president's home is now the old Juhl house overlooking the Manors.

The uniqueness of The Residence is the community living of the suites. Four rooms, positioned around a lounge, house eight students in each suite.

In order to live in The Residence, students must apply with the Residential Life Office for each year. In their application they must volunteer to do a Wartburg or Waverly community project.

-Larissa Schultz

1993-94 Residence Activities and Suite Projects

- Homecoming banner
- Progressive dinner-sponsored by Hall Council
- Floor pictures-suite 218 won a prize
- Computer consultants/tutors at Waverly High School
- Suite recycling project
- Cedar Valley Food Bank volunteer project
- Sexual awareness programs at area schools
- Promotion of women's issues on campus
- Volunteer project at Bremer County Care Facility
- Volunteer project at Bartels Lutheran Home

Clinton Hall, a co-ed dorm, houses many college students.

Katie Doyle, '94, was a Resident Assistant, in Clinton Hall, on an all-male floor. Behind Doyle are some 1 South residents: from left, Justin Miller, '96, Pat Runchey, '96, Marty Fredericks, '96, D.J. Rodman, '96, and Shawn Schmidt, '96.

Clinton Hall

The story of Clinton Hall dates back into the 1800's when Wartburg wasn't only based in Waverly. In 1879 Waverly was chosen as the home for a much needed teacher-training institution. Fifteen years later, in 1894, the facilities became inadequate, so a separate college was formed for students and faculty in Clinton, Iowa.

In 1935, Wartburg finally found its permanent home in Waverly and the college began to grow and prosper. Rapid increases in enrollment in the 50s and 60s strained the facilities. Existing residential buildings became overcrowded and temporary off-campus housing was established for sixty-percent of Wartburg men.

Plans for a new student resident hall took shape. The new dormitory was named Clinton Hall in recognition of the former Wartburg College located in Clinton. This dorm was to become an L-shaped building that would house 400 men.

Only one section of the three-unit dormitory was built in 1958, due to limited construction funds and the policy of avoiding indebtedness.

On October 26, 1958, the dedication and opening of Clinton North occurred. The hall had living space for 138 students, it also had the unique feature of a listening room in which Clinton residents could play their records.

By 1964 dormitories had once again become overcrowded, so in 1966 the second part of Clinton Hall, known as Clinton South, was built.

On February 15, 1966 the capacity of Clinton doubled with the addition of Clinton South. New features such as carpeted halls, storm and screen windows, individual room thermostats and a guest room were incorporated into the addition, making Clinton Hall the most elaborate housing on campus.

The third wing of Clinton Hall was never built and the dormitory remains as it was in 1966 with no known plans to build the addition.

-Heather Zuber

1993-94 Clinton Hall Activities

- Butt volleyball
- Halloween floor decorating contest
- Secret Santas
- Educational program dealing with sexual assault

- Mary Kay night
- Recycling program
- Floor birthday party
- Secret gremlins
- Beavis and Buttthead viewing
- Card tournaments
- Waterloo Blackhawks hockey outing in Waterloo

Matt Mayer, shown at right, became the RHD of Clinton Hall, taking the position after Noel Collier left before Winter Term.

Grossmann Hall- A Legend

America had just won World War I, Warren Harding introduced the country to the word "normalcy" and women could finally vote. The same year, Boston traded home run champ Babe Ruth to the Yankees, alcohol was illegal, and the first licensed radio station went on the air.

In Waverly, changes were also taking place. In 1919, Wartburg College had only three buildings, and was called Wartburg Teacher's Seminary. That year, the college built a new men's dormitory called Grossmann Hall. Now, 73 years later, Grossmann is home to 111 co-ed students.

In her time, Grossmann has witnessed the birth of what is now Wartburg College. Soon she will relinquish her role as Wartburg's oldest dorm, since the college is building a new 180-bed dorm taking on Grossmann's name.

Unity has been the trademark of Grossmann for years. The only thing for sure is the old Grossmann will never be the same again.

Grossmann hall was quite different back in the era of the Great Depression. The rooms had beds that would fold up into the walls.

By 1950, Grossmann had a new look. In 1949, the building was renovated and a third floor was added, all at a cost of \$118,000.

One of the first to live on the third floor was Robert Gremmels. Now an associate professor of Communication Arts,

Gremmels remembered his room was very tiny and always cold. But he also said there was a strong sense of community in the dorm, something people still talk about.

"Grossmann is unique; it's unlike any other building on campus," Pete Armstrong, director of student housing, said. "It has a strong sense of community because it's small. Its lounge is the focal point of the building more than any other building."

Grossmann 1993-94, has had that strong sense of community among its residents. Some of their many social events this year include inviting professors to monthly study breaks, having a dorm pig roast and watching late night television in the lounge.

Through the years, Grossmann has remained a center of campus. It has been a small community. And years later, the hall still has meaning for its former occupants.

America has won a few more wars, the "great experiment" failed, Harding and Ruth are dead, but Grossmann Hall is still alive and kicking. She might be past her prime, but Grossmann isn't history yet.

-by Michael D.Evans

Grossmann Hall still standing strong and tall.

Athletics

Men's soccer improves record

The men's soccer team took a step closer to a winning season by finishing with a 6-10 record, two victories better than in 1992. Coach Ed Knupp said the team depended on the strong play of seniors Chuck Duske, Eric Witt, Tony Goodrich and Todd Hornaday. They were assisted by seven talented recruits.

In the striker position, newcomer Yannis Brownell, '97, led in scoring. In a 7-0 win against Clark College he scored three goals, becoming the third player in Wartburg history to get a hat trick.

The Knights ended the season with a third-place finish in Iowa Conference Tournament in Decorah. After winning against Central on a penalty kick, the Knights lost to Luther 7-0.

Brownell said experience gained this year should help the team next year.

"After playing together for a year, next year things should run more smoothly," he said.

Tony Goodrich, '94, exhibits fine form during a men's soccer match.

Nice technique. Athletic trainer Kristi Conrey, '96, helps Pat Ashcraft, '97, with pre-game stretches.

Freshmen bolster women's soccer

With the help of strong recruits, the Wartburg women's soccer team set a record number of wins this season, finishing at 5-11. Five of the 11 losses were decided by one point.

This was an improvement over the 1992 season when the Knights won only two games.

Despite a 3-0 loss to Luther in their season opener, Melissa Heffner, '95, could already tell how much of an improvement the team had made over last season.

"There was a lot more talent than last year, and some excellent recruits," she said.

The Knights finished out the year with a trip to San Antonio, TX, splitting with Southwestern University and Trinity University.

Knight sweeper Becky Zinn, '97, was voted the team's MVP while goalie, Kate Garbacz, '97, was also an asset. Garbacz set a record number of saves in one game against St. Thomas by saving 28 of 29 shots on goal.

The team will lose seniors Karen Brandt, Donna Wagner and Karla Newmann, so next season, the Knights will count on strong play from eight returning freshmen.

Coach Ed Knupp said he had hoped for a winning season, but this is what they will work on for 1994.

"The team will keep improving and become more and more competitive," he said.

Eric Witt, '94, fights for control of the ball. Witt was a key player and leader on the men's soccer team.

Editor's note: No women's soccer photos were available for use in this spread.

Jolene Heise, '96, jockies for position against a Grinnell runner during a race.

What are you looking at? Jason Strasser, '95, seems preoccupied while running in the pack.

Steve Taylor, '96, and Paul Dietzel, '97, get ready for the big race while spirited Mom and dog look on.

Women finish strong, men rebuild

Robyn Olson strains as she nears the finish line during a cross country meet. Olson led the women's team, receiving All-American honors at the National Championships.

"It's been so exciting and so unusual to watch a group of individuals beat so many teams, even Division I teams. I hope we can continue this tradition into the future."

—Coach Steve Johnson, about the 1993 women's team.

For the third consecutive year, the Wartburg women's cross country team captured the Iowa Conference title and qualified for the NCAA Division III Championships, where they finished eighth in the nation.

"It's hard to imagine this success lasting forever," Coach Steve Johnson said. "We've been having seasons most coaches only dream about."

The Knights finished the regular season unbeaten by all Division III competition they faced and carried that momentum with them into the IIAC meet, taking first through fourth places. Robyn Olson, '95, captured her third consecutive conference title.

Olson, who had broken her previous school record by running 17:58 for a sixth-place finish at the Bradley University Invitational, raced to the conference championship in 19:12. Laura Garton, '94, finished second with a time of 19:37, while Esther Dubec, '96, took third and Bridget Carney, '94, placed fourth with times of 19:38 and 19:47, respectively.

The junior varsity women, led by Lea Lucas' third-place effort, finished second behind Luther. Lucas, '96, should be a strong contender during her last two years at Wartburg.

For the second consecutive season, Olson was named Iowa Conference MVP and Johnson received honors as IIAC Coach of the Year.

The Knights qualified for the national meet after winning the Central Regional Championships, held on their home ground at the Waverly Golf Course. At the Division III National Championships in Grinnell both Olson and Garton earned All-American status. Olson took ninth place with an 18:07 mark, while Garton clocked in at 18:13 to finish 15th as they paced the Knights to an eighth-place finish.

"We are going to have significant rebuilding to do next year since we're graduating three seniors (Garton, Kesl, '94, and Carney)," Johnson said. "If anything, the team of this season will unlock tremendous memories."

For the men's cross country team, it was a season of rebuilding as six freshmen joined the roster.

"This was a very talented group that packed together very well while running," Johnson said. "But I was a little disappointed. I think they could have accomplished more."

The men won their first meet of the season, the Cornell Ram Run, and finished second at their own invitational behind Loras later in the season. But they put up a fierce fight at the IIAC Championships to finish third.

The men's top runner was Derek Oden, '95, who finished fifth with 27:49, while Matt Wiley, '97, led the junior varsity squad to first place in the JV race.

After earning ninth place in the Regional Championships, Johnson sees improvement as a major part of the 1994 season agenda. "I think we recruited the most talented group of freshmen ever," he said.

Knights capture ILAC title

Wartburg's 1993 Iowa Conference football championship came as quite a surprise to the majority of football critics, who had favored the Central Flying Dutch to take the ILAC.

But to the Knights, their 8-0 conference season was anything but a surprise. It was expected.

"This team had set an Iowa Conference championship as a goal in the off-season, so it wasn't surprising for us," Head Coach Bob Nielson said. "This team improved every week of play, and they deserved to have a conference title."

This marks Wartburg's first conference championship since it tied with Central in 1983, and its first outright title since 1982.

To cap off a dream season, the Knights also earned their first invitation to the NCAA Division III playoffs since 1982.

After starting off the season with a disappointing non-conference loss to the Coe College Kohawks, the Knights regrouped to take full command of the Iowa Conference, including a 21-14 upset over league favorite Central.

"We were able to put the loss to Coe behind us, and we really focused in on the conference," wide receiver Jason Lehman, '94, said. "The Central win proved to everybody, even ourselves, that we

could win the conference."

The Knights' offense was commanded by quarterback Mike Elijah, '95, who led the league in passing efficiency, completing 120 of 223 passes (53.8 percent).

Elijah's main targets were tight end Todd Casey, '95, who caught 32 passes for 401 yards, and Lehman, who had 406 yards on 25 receptions.

Wartburg's rushing attack was led by Bob Beatty, '95, who recorded his second 1000-yard season with 1,285, and Kevin Hudson, '96, who tied for the league scoring title with 102 points.

Defensively, Chad Klunder, '94, led in tackles with 73, one more than Toby Kreinbring, '94, and Joe Walczyk, '94. Klunder and Craig Barnum, '95, had four interceptions each to lead the team.

Ending the regular season with a 9-1 mark, the Knights earned a spot in the NCAA Division III playoffs.

Wartburg lost 55-26 to defending national champion University of Wisconsin-La Crosse in the opening round. The loss did anything but end the Knight's season on a sour note.

"It was a great learning experience for us," Lehman said. "It wasn't bad to lose. I think it's more of a stepping stone for Wartburg football."

—Dan Diggmann

Quarterback Mike Elijah, '95, escapes a defender as he picks up some rushing yardage of his own.

It's Bobby Beatty, '95, with a carry for the Knights. Beatty was Wartburg's leading rusher with 1,285 yards for the season.

It's crunch time as a William Penn defensive lineman meets up with a Knight during a Wartburg running play.

Even the best laid plans sometimes fall through, as Mike Elijah, '95, finds out from the wrong end of a quarterback sack.

Lady Knights build close-knit team

With Nikki Gordon, '94, and Andrea Wilt, '95, as the only returning starters from last year's 21-16 squad, the 1993 Wartburg volleyball team faced a season of rebuilding.

The Knights finished the season with a 10-22 mark, sixth in the Iowa Conference. Coach Robin Hoppenworth said that considering the team's final statistics, the season was more successful than the record showed.

"I feel we had a team that worked harder than any other I've ever had," Hoppenworth said.

After falling to a 1-4 record in pre-conference play, the Knights opened the IAC season with a 5-3 victory against Upper Iowa. But they hit a competitive roadblock, losing five of their remaining six IAC matches and playing inconsistently against non-conference competition.

"We just never came together as a team," Gordon said. "Sometimes it was there, sometimes it wasn't. We never really pinpointed what it was that would have made

it all work out."

The season ended with positive encouragement as the Knights took sixth place in the IAC tournament, one place better than what they were seeded.

For the second year, Wilt was named to the All-IAC first team. She led the Knights with 224 kills, 574 attack attempts, a .254 hitting percentage and 49 solo blocks.

Other leaders included Amy Higgins, '96, with 491 assists, Gordon with 46 service aces and Amy Wagner, '96, with 320 digs and 77 block assists.

With Gordon and Stacey Burkhardt, '94, graduating, the Knights will return eight players with varsity experience for the 1994 season.

"This was a hard way to end my four years of volleyball at Wartburg," Gordon said. "But comparing this season to the other seasons, this was the closest team I've played on. We were very emotional and very supportive of each other. That made up for all the losses."

Andrea Wilt, '95, gets ready for a set as Amy Wagner, '96, dusts the floor after her return.

Wartburg volleyball players fail to return an opponent's serve. Disappointment can be seen from players on the bench, in the background.

Unity, emotional bonds created on team

Amy Wagner, '96, calls for the set as Dawn Matthias, '96, backs her up. Two Lady Knights sprawl in the foreground after scrambling for position to return the serve.

Dawn Matthias, '96, challenges the competition.

"I feel we had a team that worked harder than any other I've ever had."

—Robin Hoppenworth,
volleyball coach

Women's Basketball

Kim Grimm, '95, heads for the basket, while Michelle Grow, '94, screams her on.

Brenda Bowman, '94, looks to pass the ball.

Cheryl Zarn, '94, struggles to hold on to the ball as Luther Norsewomen try to take it away.

Nancy Krapfl, '96, decides whether to pass or run the ball to the basket.

Suzie Zuck, '94, aims for the basket while being guarded by two Cornell players.

Women's Basketball Stickin' It To The Critics

It was to be a year of rebuilding for the 1993-94 Wartburg women's basketball team. As it graduated six seniors and a majority of its scoring and rebounding from the 1992-93 squad, many critics shunned the Knights and picked them to finish in the middle of the Iowa Conference.

But the Knights proved the critics wrong and finished 20-6 overall and second in the league behind Central with a 14-2 IAC mark.

Needless to say, Coach Monica Severson was pleased with how her team performed during the 1993-94 season.

"We had an extremely young team," Severson said. "We had to work very hard to win the games we did."

While Wartburg used faster style of play than it had in the past, Severson said that the change was dictated by the players, not her.

"This was the best three-point shooting team I've ever had here," Severson said. "We didn't have a dominant player inside like we've had in the past. The players had a green light to shoot. The (three-point) shot was really one of our strengths."

The Knights' 83 three-point goals set a team record, and Brenda Bowman set the record for most three-point goals in a game against Simpson when she connected on five.

Severson credits her four seniors (Michelle Grow, Bowman, Cheryl Zarn, Suzie Zuck) with much of the team's success.

"Without the seniors, we probably would have been 6-20 instead of 20-6," Severson said. "They provided critical leadership when the team struggled before Christmas."

Guard Kim Grimm, a junior transfer from Waldorf College, said the team recovered well from the problems before Christmas.

"We were able to pull it all together," Grimm said. "It was a learning year, but also a good experience."

Grimm was named to the first team All-Iowa conference, while Grow was named to the second team. Grimm was also a Kodak All-American Honorable Mention.

The Knights reached the Division III play-offs for the sixth consecutive season, but bowed out to Aurora, IL., 61-57 in the first round.

Grimm, summing up the feelings of the 1993-94 season, said, "Everyone said at the beginning of the year that we weren't going to be good. We had nothing to lose and everything to gain."

**"We had nothing to
lose and everything
to gain!"**

-Dan Digmann

How high can you jump,
Rob Kain, '95?

Men's Basketball Growing Pains

.....

Once the kinks were worked out with the transition to a new head coach, the Wartburg men's basketball team ended the season strong, winning five of its last six games to finish with a 14-11 record.

"Players were asked to do things that they had never done before and they did it," said first-year Head Coach Howard Gauthier. "We had some growing pains at the beginning of the season, just like any other first-year program, but our players worked it through and did a good job."

Gauthier replaced Buzz Levick, Wartburg's all-time winningest basketball coach with a 510-226 mark. The Knights took the transition well enough to tie two school records late in the season.

By scoring eight three-pointers against Simpson, Mark Franzen tied the school record for most three-pointers in one game, which was set in the 1989-90 season.

Also shooting a perfect 16-16 from the free-throw line in that game, Wartburg tied a conference record set by other schools in the league for free-throw accuracy in a game.

Rob Kain was named to the All-IIAC second team by leading the Knights in scoring with 403 points, leading in rebounds with 240 and blocking 19 shots.

Franzen averaged 27 points per game and led in three-point goals with 55, while Jason Quillin led in steals with 41 and assists with 106.

The team will lose Franzen, Quillin and Randall Rinderknecht to graduation, but Gauthier said the inside game of Kain and Rich Kloster, along with point guard Lucas DeWitt will be returning starters for the team.

"I'm looking forward to next year," DeWitt said. "We have a solid core and next year will be a solid season."

Gauthier said that the conference will be tough next year as Luther and Buena Vista both return all of their starters. But Gauthier said that Wartburg will be just as competitive.

"When frustrated, the team cropped up, battled through it and that is a sign of champions," Gauthier said.

-Dan Digmann

**"When frustrated, the team cropped up,
battled through it and that is a sign of
champions!"**

-Coach Howard Gauthier

Andrew Zalasky, '95, uses up some
of that hang time.

Fighting for a piece of the ball, Jeff Lynch, '95, tries to get the ball to the basket, while opponents try to take it away.

Jason Quillin, '94, passes the ball after getting the rebound.

Jon Dawley, '94, attempts to pin his Augustana opponent.

A Wartburg Knight slams an Augustana Auggie onto the mat.

Head Coach Jim Miller and wrestler Steve Wood, '95, look on from the sidelines.

Wartburg Wrestling A Premiere Team

The 1993-94 Wartburg wrestling team established itself as one of the premiere Division III programs in the nation, but for the second consecutive year a national title eluded the Knights

Two years ago, the Knights lost to Augsburg (MN) 93-92 at the national tournament, and last year it was Ithaca (NY) who finished in front, 77.75-75.

"I told the guys at the beginning of the season it was a critical year for us if we wanted to be one of the premiere teams in the nation," Head Coach Jim Miller said. "I was very pleased we were able to come back this season and to be in the hunt for a national championship."

At the national tournament in Stevens Point, WI, Zane Braggs was crowned national champion at 118 pounds. Other Knights placing were Chris Ristau, seventh (126), Zach Geary, sixth (134), Michael Doyle, eighth (167), and Jon Dawley, second (190).

With his second-place finish, Dawley became a four-time All-American. He posted a 27-2 record last season and is Wartburg's all-time leading winner with a record of 142-16-3.

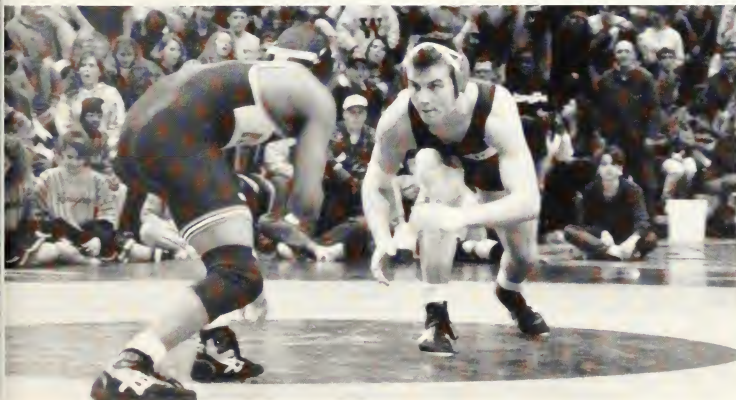

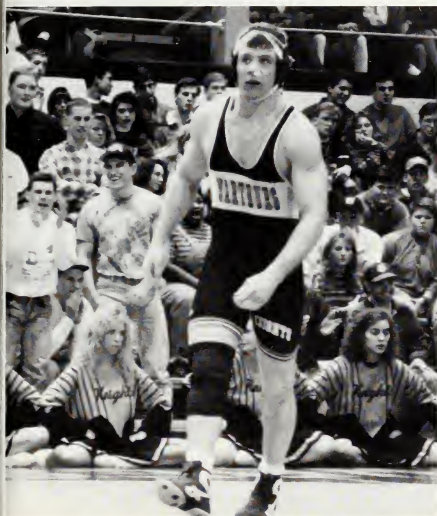

To get to the national tournament, Wartburg set a new Iowa Conference record for the most points scored at the league championship with 158.75 points as the Knights won their second consecutive IIAC title. With this performance, the team qualified nine wrestlers for the national tournament.

The Knights had five IIAC champions, two runners-up and three third-place finishes. Winning titles were Braggs at 118 pounds, Jamal Fox (142), Eric Kimball (158), Doyle (167) and Dawley (190). Finishing second were Ristau at 126 and Geary at 134. Steve Wood (150), Blake Williams (177) and Jesse Molinar (HWT), all took third place.

Another highlight of the season was a 22-12 win over Augsburg, last year's national champion, in the first Wartburg dual meet that was televised by Iowa Public Television.

"We had a very successful year, but at times we struggled," Miller said. "It wasn't easy and we still got the job done. Some kids went through some tough times but in the long run it made us all better; even the coaches, because I know I learned a lot."

Michael Doyle, '95, checks out the scoreboard as the crowd looks on.

Wartburg Knight faces off opponent at the first Wartburg dual meet, televised by IPT.

Jenny Bye, '95, practices her swing.

Women's golf team finishes 4th in IIAC

Led by senior Kristi Foote's All-Conference 177 stroke finish, the women's golf team finished fourth at the Iowa Intercollegiate Athletic Conference meet to keep pace with last year's fourth-place finish.

"I was pretty pleased with fourth place," Foote said. "We were pretty much in competition with Loras, and they had beaten us before, so it was a real positive note for us."

The Knights opened the season with a seventh-place finish at the Simpson Invitational.

As the season went on, the Knights continued to golf well, including a seventh-place finish at the Wartburg Invitational, with 775 strokes.

"The season went well," Head

Coach Stu Thorson said. "We did well as a team and a couple of players came forth to play good golf."

"We really improved as the season went on," Foote said. "At the beginning of the season we weren't focusing on what we had to do, but we finally set our goals, then went out to achieve them."

Thorson said he expects the team to finish higher in the conference next year, even with the loss of Foote.

"Foote has been the leader and the foundation of the team, but I expect Jenny Bye, Meghan O'Brien and Amy Sandquist will step into that position," he said.

—Larissa Schultz

Steady progress marks Knights' golf season

For the second straight season, the Wartburg men's golf team took fifth place at the Iowa Conference tournament, but only after the Knights flirted with third place in the three-day, 54-hole meet.

"After the first day we were tied for third," Coach Stu Thorson said. "This caused some pressure and made the guys not as relaxed with their strokes."

Scott Paulsen paced the Knights with a three-round total of 243 strokes (88, 79, 76), and also sunk a hole-in-one on the final day of the tournament.

Also competing for Wartburg was Jason Quillin and Ryan Huisman, both shooting 249. John Carr finished with 261 strokes, and Jake Bloom had 265.

The key to the Knights' respectable finish at the IIAC champion-

ships came from the progress they made throughout the regular season, Thorson said. "We got better as the competition got stiffer."

After starting the season with a fifth-place finish at the Buena Vista Invitational, the Knights responded later in the season with a third-place tie with Luther at the Loras Invitational.

Although Quillin, Carr and Jay Bergan graduated at the end of the season, Thorson said he is still looking forward to the 1995 season because "the freshmen show good promise."

Huisman, the Knights' leading scorer for the season, said he looks for Wartburg to finish in the IIAC's top three in 1995. Thorson agreed, saying: "I look forward to an optimistic new year, finishing in the top three."

(Above) "Why didn't you fall?"—Scott Paulsen, '96, tries to coax just a few more inches out of his ball.

Women capture second consecutive IIAC title

The Wartburg women's track team earned its second straight Iowa Conference title in 1994, but this year it wasn't easy.

In a fierce battle with Loras, Wartburg ended the competition with 160 points, just 12 points better than the IIAC runner-up Duhawks.

"This has been one of the most exciting seasons for me as a coach," Coach Steve Johnson said. "We fulfilled and surpassed so many dreams."

At the IIAC championships, the Knights displayed spectacular endurance as they won every running event that was 800 meters or longer, with Robyn Olson leading eight All-Conference finishers in 10 events.

Olson claimed individual championships in the 10,000 meter run with 38:50.30, the 5000m (18:07.11) and the 3000m (10:31.22). Her finish in the 5000 also earned her a spot in the IIAC outdoor record book. Esther Dubec took first place in the 1500m at 4:48.1 and second in the 800m (2:20.84), just behind teammate Lea Lucas who defended her title in 2:20.3.

Denise McMillin finished first in the 200m with 26.21 and anchored the winning 4x100 relay team with Angie Cornelius, Dawn Syhlman and Nikki Kimball. She also captured second place in the 100m at 13.1 and anchored the second-place 4x400 team of Lucas, Beth Holst and Annette Edgren. Shelly Hammond placed second in the discus with a throw of 129 feet, and Michelle Djuren placed second in the high jump with a 5'3" effort.

Pat Hennes, '97, keeps his pace and stays ahead of a Loras runner at a meet.

Wartburg runner Julie Kesi, '95, attempts to pass a Luther opponent.

Men sprint to second-place tie

Knight Coach Steve Johnson was definitely in touch with the 1994 men's track team when he predicted an improvement over last year's finish at the Iowa Conference championships.

This year the Knights had no problem sprinting past their previous fifth-place finish to a second-place tie with Simpson with 118 points. Central won the title with 178 points.

"We completed as well as we could have," Johnson said. "We ran and threw better than we really could as a team."

Just one Knight was crowned an individual champion. Jim Thompson put the shot a personal best 50'9" to gain not just a conference victory, but it also provisionally qualified him for the national NCAA Division III meet at North Central College in Naperville, IL.

Besides Thompson, 10 other Knights finished among the top three in a total of 11 events to achieve All-IAC status. Chris Shannon triple jumped 45'7.75" for second place and also finished second in the 100 hurdles in a time of 15.6 seconds. His triple jump effort set a new school record.

In other fields, Chris Reede took second in the discus with a throw of 147'5", and Gary Arends jumped 6'3" for third place in the high jump. The duo of Josh Watters and Matt Wiley battled for second and third places in the 800 meter run as Watters finished in 1:55 and Wiley in 1:55.2.

Pat Hennes claimed third-place finishes in the 10,000 and 5000 meter runs with times of 32:20 and 15:35, respectively. Chad Fickbohm sprinted to third place in the 100 meters with a time of 11.3, and the 4x100 team of Fickbohm, Shannon, Steve Boblenz and Todd McClain also took third place. Justin Smith earned All-IAC laurels with his 9:58.7, third place effort in the 3000 meter steeplechase.

Johnson said that although he will miss the talent of the graduating seniors (Arends, Fickbohm, Bryan Friedman and Mike Luebbers), he anticipates the quality of performances will only improve as the current underclassmen continue to strive for advancement.

Women break even under Sharp

Under first year Head Coach Cheryl Sharp, the 1993 women's tennis team had a solid finish by winning three of its last four matches to earn a 6-6 overall record.

The Knights were led all season by the play of Janell Godfrey, who ended the season with an 11-5 record in singles matches. Godfrey finished the season ranked 12th in the midwest region and 40th in the nation.

Elise Hardy gave the team strong play from the second flight, finish-

ing with an 8-8 singles record. Anne Nowak, playing in the third flight, finished at 11-7, while Gretchen Roth and Sonja Bojka each finished at 8-8 in the fourth and fifth flights, respectively. Lisa Van Dusseldorp also had four wins in varsity play.

The team used a variety of doubles combinations during the season.

Godfrey and Hardy combined to go 8-6 in doubles play. Nowak and Roth won seven of 13 doubles

matches, and the team of Bojka and Van Dusseldorp went 9-8.

Others seeing action included Piper Hoffman, Amy Betz and Sara Lipker.

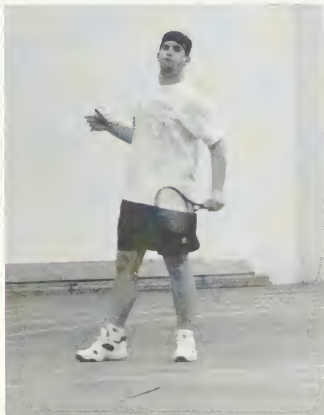

The team finished third in the Iowa Conference tournament held in Des Moines, and Godfrey earned a second-place finish in the tournament.

"We gave every bit of effort we could in the tournament," Sharp said.

Brandon Adams, '95, gets down low to return the ball.

Wartburg tennis player Tim Tjaden, '96, returns the ball to his opponent.

Men improve record, fall short in tourney

A 6-7 dual meet record was enough for the men's tennis team to improve its 5-10 mark from the previous year. Despite the regular season improvement, the Knights faltered at the Iowa Conference tournament, settling for a fifth-place finish—a regression from their third-place finish in 1993.

"We played tough all season," said Dan Sanderman, "but in the end we just came up short."

Sanderman led the Knights at the tournament with a third-place finish in the No. 3 singles after beating Simpson's Ryan Saltzman 5-7, 6-4, 6-4.

In the No. 1 singles competition, Brandon Adams took fourth place while Steve Dolezal also captured fourth in the No. 2 singles. Other Knights competing included Brian Trow and Tim Tjaden, who each took fifth in the No. 4 and No. 5 positions, respectively. Mark Brandt placed sixth in the No. 6

spot.

In doubles competition, Brandt and Dolezal teamed up for third place in the No. 3 position. In the No. 1 spot, Adams and Tjaden placed seventh. Trow and Sanderman combined for fourth place in the No. 2 doubles.

First-year Head Coach Robert Pagel had hoped for a third-place or higher finish, but said Wartburg didn't do what it needed to do to earn such a finish.

"Going into the (IAC) meet I thought, 'If we play well enough we can get third, maybe even second, with a couple of breaks,'" Pagel said. "But the common thread with all the guys was that they weren't able to win the close ones."

With all six players returning in 1995, Pagel said the season looks promising. "Everyone gained quality experience this year, and the future looks bright."

Gretchen Roth, '96, aims high and keeps her eye on the ball.

Kim Grimm, '95, slides into second base as the umpire watches closely.

Kelly Meyer, '95, is congratulated by her teammates after hitting a homerun.

Ann Van Oort, '94, looks to throw the caught ball.

Softball team shatters records, reaches regional tournament

Amy L. Miller, '95, prepares to steal a base during the softball game.

Just like a pane of glass shatters after being struck by a chunk of concrete, the 1994 Wartburg softball team grabbed the record book and shattered 12 of 26 records while tying another to produce one of the best seasons in Wartburg softball history.

To add sweetness to an already great year, a regular season record of 27-10 catapulted the Knights into the regional tournament for the first time. Wartburg advanced to the championship game where the Knights were ousted by Iowa Conference foe Buena Vista, 6-4.

"It was a hard game for us to lose," second baseman Angie Thurm said, "but our performance at the tournament was an awesome way to end an incredible year."

The Knights finished with a 29-12 mark overall, surpassing the previous record for most wins in a season (20). An 11-5 league finish was enough to give Wartburg a third-place tie with Central in the IIAC.

Thurm said the Knights realized they were going to be a team to reckon with early in the season after they upset BV 2-1, 2-1 in a doubleheader.

"When we beat Buena Vista, which at the time was ranked second in the nation, we knew we had a good team," Thurm said.

Kelly Meyer led the Knights' offense with a .358 batting average and set a new record for most hits in a season with 44. Dawn Matthias and Kim Grimm also broke the old

record (39) for most hits with 40 and 41, respectively.

Meyer went on to tie the record for most runs scored in a season (27), and broke the RBI record with 27. But she couldn't top Grimm, who set the new record for runs scored with 28, while Matthias set new records for RBIs (28) and doubles (11).

As a team, the Knights set records for highest batting average (.284), most hits in a season (299), most doubles (41), most RBIs (153), most stolen bases (88) and tied the record for most home runs (6).

Matthias was a first-team All-IIAC selection at shortstop, and Grimm was named to the second team at second base. Coach Robin Hoppenworth was named IIAC Coach of the Year.

Sharon Dole was Wartburg's ace on the mound, breaking the record for most wins in a season as she compiled an 18-8 record. She also set a new record for most innings pitched with 167.1, while finishing with a 1.30 ERA. The Knight's other pitcher, Lesli Eyestone, completed the season at 11-4 with a 2.21 ERA.

Thurm said this was the type of season Wartburg needed to launch a winning tradition.

"Wartburg is definitely headed in the right direction," she said. "We're coming on strong and are building a reputation as a strong softball program."

Jody Kies, '95, makes the tag as Tom Knebel, '94, watches.

The team meets the in-coming runners after a homerun hit.

Mike Lampman, '94, slides safely into home plate while Mike Bossom, '96, waits on deck.

Knights' have first winning season in 15 years

Mike Bossom, '96, throws the pitch in hopes of striking out the batter.

The 1994 Wartburg baseball team managed a feat no Knight baseball team has since 1979: It compiled a winning season.

Under the guidance of first-year Coach Randy Moore, the Knights finished 17-14 overall and fifth in the Iowa Conference with an 8-8 mark.

"It was kind of a bitter-sweet season because we had a lot of expectations and didn't quite reach all of them," said left fielder Van Beach. "But at the same time we still came out of the season with a lot of positives."

At the onset of the season, the Knights had set the goal of capturing the conference crown, and after compiling a pre-IIAC record of 7-2 it appeared Wartburg was well on its way to doing just that.

But at the halfway point of the season, the Knights were only able to maintain a 4-4 record in the conference. That, coupled with a pair of doubleheader losses to Loras and Dubuque, sent the league championship out of reach.

Moore said that with a 4-8 record, the Knights reset their goal from an IIAC title to finishing at

.500, something they managed to do after sweeping Central and Buena Vista to finish 8-8 in the IIAC.

Following regular season play, Wartburg competed in the inaugural Iowa Conference Baseball Tournament where they bowed out early after losing to Luther 1-0 and Loras 3-2.

"We didn't get as far in the tournament as we would have liked, but looking back at the season as a whole, I'm very happy," catcher Mike Lampman said. "This is the first time any of us seniors have had a winning record, and I can never complain about winning more games than we lost."

Lampman and Tom Joecken led the team in hitting, as each compiled a .396 average. Joecken also led the team in hits with 38, RBIs with 32 and home runs, while Lampman led in doubles with 12. Bruce Wall finished as the leader of runs scored with 35.

Among pitchers, Beach set the pace on the staff with a 5-1 record and 1.89 ERA. Mike Bossom finished at 5-2 with a 4.33 ERA.

Students prepare for Mid-Winter Weekend. As part of the festivities, a special meal was served in the cafeteria, with a Gilligan's Island theme.

Graduation

(Right) Graduates swelter in the heat during Commencement exercises Sunday afternoon. For the first time in four years, the "Vogel Curse" was broken and commencement was held outside on the campus mall.

(Below) President Robert Vogel speaks to graduates and their families about the significance of the day.

(Right) Retiring faculty members Dr. Raymond Harms, Dr. Frank Williams and Art Frick are acknowledged by the audience.

Thanks for the memories

After much anticipation and holding of breaths, the sun burst through the clouds, ending the rain and breaking the "Vogel Curse."

It was a fitting way to end four years of study and socializing. The Class of 1994 had moved onto campus as freshmen under sunny Iowa skies, and we departed as graduates under those same sunny Iowa skies.

There is not enough space on these pages to record the feelings and thoughts that were experienced over four years. There is not enough space in this book to begin listing new experiences and memories that will last forever.

It has been said that people live a lifetime in college; then they enter the "real world." For 238 women and men, the first lifetime has ended and the second just begun.

So with a swishing of tassels and a flourishing of mortar boards, the Class of 1994 departed from Wartburg College on May 22. But we will never leave entirely, not as long as memories persist and ties remain.

—Paul Everding

Colophon

Volume 59 of the Wartburg *Fortress* was printed by Walsworth Publishing Company in Marceline, MO. All layout, copy and design was produced using Aldus Pagemaker 5.0.

Individual portraits were taken by Cole Photography, Waterloo, IA. Color processing was done by Meyer Pharmacy, Waverly, IA.

The Wartburg *Fortress* is a 180-page, 8 1/2 x 11 publication with a press run of 1000 copies. Body copy was written by the *Fortress* staff and by contributors. All copy and captions were set in Times font, with headlines predominantly in Times and University Roman.

Thanks to all who contributed to this publication.

—Paul Everding
